

City of Maple Grove Dog and Cat Licensing Requirement

Effective January 1, 2013, dog and cat owners will no longer be required to purchase a city animal license.

Sec 6-42 Identification Required

- (a) Dog and cat owners are no longer required to obtain an animal license for their pet.
 - (b) All dogs, cats, and ferrets are required to have some identification on them. Identification allowed under this subdivision includes microchips, veterinarian issued rabies tags, or any tags or collars with contact information and phone number(s) inscribed on it.
- In addition, all dogs, cats and ferrets must have a current rabies vaccination administered by a Doctor of Veterinary Medicine per city code Sec. 6-41 (b).

Any questions regarding this new requirement can be referred to CSO Program Coordinator, Danielle Cheney dcheney@maplegrovern.gov.
